

The Tanglewood Times

Cabin 2a

Ms. Beverly and Ms. Gena

This month we will be learning about cars, trucks, planes, and trains. We will be doing fun sensory play with these things that go. We will be learning about how they work and what each one does. Also, we will be learning about lakes, rivers, and ponds. Focusing on what animals live in them and what the difference is of the three.

April 2022
