

The Tanglewood Times

Lodge D

Miss Michelle

This month is all about roads. The children will be playing with toy cars, trucks, planes, and trains. We will be learning different ways to travel such as, land, air, and sea. They will be spending time building roads out of blocks, putting train tracks together, and driving cars around the playground. We will also be discussing and experimenting with ice. It's a great time to take a drive and practice car safety.
